

# What Long Distance Couple did to keep their Relationship Fresh

Many a people say that long distance can be a little tricky if not frustrating. Most people think Skype is just enough to going moving in your relationship. But some of people are a little too attached to each other that need something more than Skype to keep there relationship strong and going in the right direction. So these couple find clever things to keep the fire of their love burning constantly.

So this South Korean couple was living a distant relationship for quite a time. The girl Danbi Shin was living in New York, whereas the boy Seok Li was in Seoul, South Korea. So they trying something new in their relationship, like they both took photos of each other simultaneously while they were on Skype and then later they made collage of those photos until these photos look like they were at the same place in the photo which inadvertently make their love bloom.

They have named their little photo project, "Half&Half". Below are some of their work of collages.

## 1. New York's Arc and South Korea

## 2. Hand in Hand

**3. Both Faces make one Face**

#### **4. Both cities' Ice Cream**

## **Chris Pratt and Anna Faris, The power Couple of Hollywood**

Fans love the celebrity couples to the extent that, they want to be like them in terms of their love life and be as romantic as them. In the 90s the couple that inspired most fans were

Brad Pitt and Jennifer Aniston, then she was out of the scene and there came the beautiful Angelina Jolie. For more than 10 years they were the hottest couple in the Hollywood scene. But its human nature that they get fed up with almost everything eventually. Although Brangelina is much respected by the people but they are not the couple they were in the eyes of the fans and media.

Now all eyes are on the Couple that is both funny and famous, and that is Anna Pratt, I mean Chris Faris. They are Chris Pratt and Anna Faris. Both started their acting and showbiz careers as the funny people on the TV. Chris become famous from the TV show Parks and Recreations, and it was only reason he is now the most famous Hollywood star. Anna Faris was first scene in couple of Episodes of Friends and then she was later casted in the scary movie series.

## **The Power Couple**

This amazing and cute couple dated was quite some time and then suddenly in 2009 they got them into the spirits of Holy

Matrimony.

They both are very active on twitter and whenever they see a moment, they take a jab at each other, which people to see on twitter.

Celebrity couples tend to break up after any little hiccup they have in their life but they have been with each other, every time something has bothered them, and they have remained close to each other ever since.

Why they are the couple to watch right now, is that most famous couple don't talk to media very often, they not only talk to media but they do it together and that is why they are so loved right now.

And they are making every body laugh at their crazy online presence.
