

# The Beautiful Cat photos with kittens

Most of the people love to have pet at their home. Pets help you have healthy state of mind as compared to those who do not own a pet. Dog are preferred as a pet because of their faithful and loyal nature but still there are so many people who love to have cats as their pet. Cat is beautiful, small size animal but unlike dogs, cats are selfish and dishonest. Generally cat is playful and smart animal. Cats seem to cold and uncaring most of the times but they swell with pride when they gave birth to little adorable kittens. Mother cat really care for her kittens and very possessive about them, no one can get near to her kittens unless you are the owner. These pictures mention below will show you the pride and motherhood of the cats.
